Thank you for your interest in Layers and for giving us the opportunity to help make your wedding party something special.

We have attached a list of wedding cake suggestions as well as our regular menu of “Sensational Cakes” many of which can easily be adapted into lovely and delicious wedding cakes. Also, you have the option of creating your own original cake.

Our wedding cakes vary in price depending on size, ingredients, and complexity of design. The price includes local delivery and setup, Monday thru Friday, at the reception site.

A \$200.00 non-refundable deposit is required to secure the date on our calendar. This deposit will be applied against the overall price of your cake.
